

24 March 2014

Dear Parents

The first term is over and your child has settled into high school and no longer feels like he or she is 'new'. It was a very busy term with a lot of energy going into getting to know each other, fitting into the building comfortably and learning the routine. More than sixty thousand questions were answered and marked on Moodle during the course of the term, two Interim Academic Feedback documents were issued, one parents' meeting was held and Term 1 tests were written. Your children have adapted amazingly well.

The **first term report** has been issued. Please take note of the Tutor's comments as well as the marks. This report is an indication of how well your child is coping in Grade 8. Please discuss the report with your child – celebrate their successes and identify their areas of weakness. There will be a meeting for you to discuss your child's progress and areas of concern with the relevant teacher on Tuesday 21 April. This meeting will be by appointment only and we ask that only parents who need to raise an issue make an appointment as there will be limited time slots. More information will be available at the beginning of next term.

We are still waiting for **uniform** samples from the supplier. If the weather turns cold you may buy any navy jersey from the shop of your choice. Just a reminder that girls may wear long navy socks or navy stockings. Navy blue dry-macs are also part of our uniform.

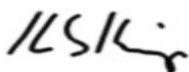

Enjoy having your children at home. Term time can get stressful for the whole family and holidays are a good time relax together and enjoy your children as young teenagers. Also take some time to ponder the spiritual meaning of Easter.

School begins at 07:30 on Tuesday 14 April. The staff at Kitsong look forward to seeing your child again for the start of a new term.

Students working during Maths on the last day of term.

Yours sincerely

Mr Ken Krige
Principal
