

2.2.6 Excursions Policy

In keeping with the mission statement, Kitsong seeks to provide accessible (low-fee) education. However, excursions are of immense educational value in the sense that travel provides new experiences, new viewpoints and perspectives and heightens the educational experience.

Consequently, school excursions will be part of the planning but will be kept to a minimum and every proposed excursion will be carefully analysed for maximum benefit and least cost achievable.

On all excursions, students must be accompanied by at least one of the following:

1. A member of the Kitsong staff.
2. A designated member of staff from the Royal Bafokeng Institute.
3. A designated coach from Royal Bafokeng Sports.
4. A designated member of staff from Lebone II, College of the Royal Bafokeng.

Any staff designated to accompany students as envisaged in points 2 – 4 must be approved by the principal.

Kitsong will cover the cost of transport for sports matches and excursions in the Bojanala District when they form part of the annual leagues, unless these are already covered by the Jr.NBA programme or Metshameko Sport. For tournaments and excursions further afield (such as the annual ISSA tournaments), all costs will be an extra expense for parents.
